

HELPING YOU NAVIGATE CHANGE

SIMPLY, CLEARLY & CONFIDENTLY

Moving to 3R is designed to be quick, straightforward and fully supported - with a proven transfer process that keeps payroll moving and disruption low. It's done in weeks, not months.

OUR TRANSFER COMMITMENTS

A DEDICATED POINT OF CONTACT

Backed by an experienced, hands-on team following a proven process.

COLLABORATIVE & FRIENDLY ENGAGEMENT

We'll work positively with your current supplier to ensure a smooth transition.

TRANSPARENT LEDGER AUDIT

We partner with you and your clients to navigate any credit or insurance issues together.

EACH TRANSFER IS DIFFERENT

We bring a collaborative, adaptable approach to handle the unexpected and deliver confident, consistent results together.

HANDS-ON SUPPORT

From contractor onboarding to client data entry and training, we'll help take the pressure off your back-office switch.

CONSISTENT PROJECT CHECK-INS

We stay in close contact throughout, ensuring momentum, clarity, and strong teamwork.

WHAT WE ASK IN RETURN

» A MAIN POINT OF CONTACT ON YOUR SIDE

Someone we can work with before, during and after the transfer to keep everything aligned.

» OPEN, TWO-WAY COMMUNICATION

Transparency and trust from day one help us understand your needs and give you the best possible support.

» A SUITABLE CONTACT AT YOUR CURRENT PROVIDER

Ideally someone experienced and empowered to support the transfer process.

» TIMELY ACCESS TO KEY DATA

We'll need accurate information about your ledger, contractors and clients to ensure a smooth setup.

» PROACTIVE CLIENT AND CONTRACTOR MESSAGING

Informing your contacts about the transfer at the right points in the process

» REGULAR CHECK-INS

A little time set aside for updates helps us keep the project moving and complete key tasks and resolve any challenges as early as possible.
